

Since they hated knowledge
and did not choose to fear the LORD...
they will eat the fruit of their ways and
be filled with the fruit of their schemes.
Proverbs 1:29, 31

We Can't Get Rid Of This Mess But ...

We must admit there has always been a mess in our world. Nothing much has changed since the beginning of time. At one time things were so bad God decided to destroy the world by flood.

Nations have been gutted because of their gross immorality. Millions have been exterminated because of the madness of men.

September 11th is a grim reminder that even our mighty nation is not exempt. bitter hatred between nations has always been and will always be. Because of

this the world has always experienced; *terrorism, war, murder, rape, greed, corruption in government, sexual perversion and thousands of other sickening things that will always be with*

us.

We Don't Have To Let It Destroy Us!

Just because the world is in a big mess does not mean that we have to be trapped in the rubbish. God enables us to overcome the savage attacks of the world; But we do not overcome through our own inability to handle the problems of life. The world cannot provide the answers.

The world is the source of our problems. We must find our solutions from a higher source.

Jesus Is The Answer!

Jesus is the good news! He is good news in the most significant ways possible for your life. Jesus is God's Son, who became "one of us". He became man and experienced everything we

experience; *Rejection, Pain, Sorrow, Temptation,*

Poverty, Hunger and even Death.

In His resurrection He proved that He not only overcame all of these things but that if we come to Him in faith, in Him we overcome these enemies as well.

Jesus gives us this invitation in Matthew 11:28-30:

"Come to me, all you who are weary and burdened, and I will give you rest.

Take my yoke upon you and learn from me,

for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light."
