## He Gave His Blood

In his book *Written In Blood*, Robert Coleman tells the story of a little boy whose sister needed a blood transfusion. The doctor had explained that she had the same disease the boy had recovered from two years earlier. Her only chance for recovery was a transfusion from someone who had previously conquered the disease. Since the two children had the same rare blood type, the boy was the ideal donor.

"Would you give your blood to Mary?" the doctor asked. Johnny hesitated. His lower lip started to tremble. Then he smiled and said, "Sure for my sister." Soon the two children were wheeled into the hospital room Mary, pale and thin; Johnny, robust and healthy. Neither spoke but when their eyes met. Johnny grinned. As the nurse inserted the needle into his arm, Johnny's smile faded. He watched the blood flow through the tube. With the ordeal almost over, his voice, slightly shaky, broke the silence. "Doctor, when do I die?"

Only then did the doctor realize why Johnny had hesitated, why his lip had trembled when he'd agreed to donate his blood. He had thought that giving his blood to his sister would mean giving up his life. In the brief moment, he had made his great decision.

Johnny, fortunately, didn't have to die to save his sister. Each of us, however, has a condition more serious than Mary's, and it required Jesus to give not just His blood, but His Life. —Craig Brian Larson. *Illustrations for Preaching and Teaching*.

## God Is In The Small Stuff

### ... and It All Matters!

**Matt 10:30** *And even the very hairs of your head are all numbered.*

**Matt 6:26** *Look at the birds of the air: they do not sow or reap or store away in barns, and yet your heavenly Father feeds them: Are you not much more valuable than they?*

In Our Wednesday night "Chick's" class, we have been discussing the fact that God is in every aspect of our lives. What may seem small and insignificant to us is important to God. He knows how many hairs are on our heads. He knows the birds and provides for them. So why would he not be involved in every single aspect of our lives?

This reminds me of three verses:

- > Colossians 3:17 - *"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to Lord the Father through him."*
- > Colossians 3:23 - *"And whatever you do, work at it with all your heart, as working for the Lord, not for men"*
- > 1 Cor 10:31- *"So whether you eat or drink or whatever you do, do it all for the glory of God."*

Even what might be the smallest thing to us, can be a big deal - like being kind to the check out person at WalMart. Can you imagine the cranky people that person encounters in the course of one day? That might even fall under being merciful. That means giving someone what they need and not what they deserve!!! *Whatever you do - matters.* It matters to others and it matters to God! If our Father knows how many hairs are on my head and tends to the birds. He definitely cares about every single aspect of my life - and yours! God is in the 'small stuff' of our lives. Let us live to show that! Linda - Manassas CoC
