A special thanks goes out to all that made our Open House a success. We ended up with a total of 45 in attendance for our morning service. As you know, the only advertisements used were postcards, signs and social media. That means that you invited a majority of our visitors personally! To me, that makes our number even more impressive.

So, how do I know our Open House was a success? First of all, we fulfilled our mission. Our goal was to get people to come that aren't attending services with any other congregations, churches of Christ or otherwise. We did that! We wanted to "plant the seed," and we did that! We wanted our visitors to see a friendly congregation that is interested in their spiritual condition, and we did that! Basically, every goal that we had from the beginning has been met.

What more can we do, now that our 2<sup>nd</sup> annual Open House is behind us? Keep inviting friends and family to services, especially those who attended Open House. For those present last Sunday, we need to keep encouraging them to come. For every person invited, there are several more still in need of the gospel. We don't have to wait for another Open House next year when we can be bringing them in now!

The Mars Hill church has proven a desire to reach lost souls with the gospel and to grow, as all congregations should. There is still so much to be done (and so little time to do it)! We must keep working together, trusting God to provide the increase.
