### "WHEN I SEE THE BLOOD"

In the Old Testament (Exodus 11 & 12), you'll probably remember the story of the Passover. The final and tenth plague upon Egypt was that of the death of their firstborn children. The significance? From the standpoint of the law, firstborn children were of greatest importance to a family - the heirs of the greater blessing, continuance of the family bloodline... This plague might be the hardest hit for the Egyptians, so to speak. If God hadn't gotten their attention yet, He certainly did it with this one!

Israel, however, was safe from this plague if they followed the Lord's instructions. Each family was to take a young lamb, without blemish, kill and eat it (with unleavened bread and bitter herbs), spreading its blood over the doorposts of their house. "And when I see the blood, I will pass over you; and the plague shall not be on you to destroy you when I strike the land of Egypt." (Exodus 12:13, NKJV) This became a memorial to Israel in the form of the annual Passover observance. (v. 14)

Today, in what we refer to as the Christian age, we have a reminder of similar events that mean just as much, if not more to us than the Jewish Passover. Today, on the first day of every week, Christians all over the world observe the Lord's Supper, instituted by Jesus during the Passover memorial, just before His own death. (1 Corinthians 11:23-26) Using the same "emblems" (the unleavened bread and fruit of the vine), Jesus instructed His disciples to partake of them as a reminder of His soon-to-be sacrifice on the cross. This we are to observe until He comes.

As we, as Christians, continue in our Father's will in obedience through baptism and faithfulness, are offered forgiveness of our sins through the blood of Christ. In Judgment, when God sees His blood over us, He has
