### Kyle's Korner

I am so grateful for our Mars Hill church family! You have been such a huge part of my life, even going back to when I first placed membership in 2006. I can't imagine what life would have been like without the Mars Hill congregation by my side and in my corner all of that time. Even when I was preaching elsewhere, you all were still there, and I wouldn't have had it any other way.

You have seen some big moments in my life. Some of my first sermons were preached here. You saw me graduate from the Middle TN School of Preaching in 2010. Some of you were present for my wedding in 2014. Not to mention that it was Mars Hill that supported me when I moved into my first apartment, on my own, and when I lost my grandfather, who I was very close to. I am thankful for your love and support through all of these major milestones in my life.

I am grateful for the privilege to serve you as your minister. I thank Bro. Kirk and Bro. Hugh for inviting me to come back and for helping out when I need to be away. I am grateful to know each of you, our members. I love spending time together, especially our weekly lunches after Sunday services. Your support of our Friday Night Singing and all the other things we do... My list could continue. But simply know that I am grateful for it all, for all of you, and I look forward to our time together in the future.
