# Walker's Wanderings

## Just Suppose

Just suppose the Lord should begin tomorrow to make people as sick as they say they are on Sunday?

Just suppose the Lord should take away the children whom the parents use as an excuse for staying away from church?

Just suppose the Lord should make some people as poor as they say they are when asked to finance His program?

Just suppose the Lord should have every covetous man stoned as He did Achan?

Just suppose the Lord should strike dead all who lie about their giving, as He did Ananias and Sapphira?

Just suppose the Lord should let some parents look into the future and see where their example and lack of control led their children?

Just suppose that all Christians really live consistently and prove by their lives that they really love the Lord?

"*The Lord is not slack concerning his promise, as some count slackness; but is longsuffering to you-ward, not wishing that any should perish, but that all should come to repentance*" (2 Peter 3:9) —copied

## Mighty Mites & TYG News

One of the greatest secrets of success of our youth group has been the involvement of our parents. There are several things being planned for our Mighty Mites this summer. As one of our boys said before, "I can't drive myself". Mom and Dad they need you! The world is filled with many things that would lead your children down the wrong path! Take advantage of opportunities for your young people to learn the value of service and the good influence of Christian friends! It's never too early or too late to start! Do what YOU can do! It's going to be as great summer!

## VACATION BIBLE SCHOOL!

July 23-26 are this summer's dates and it should be another great week for our young and not so young. We will have classes for all ages including an adult class each night!

The theme of this year's lessons are ***God's Team-Stories of God's Power!*** Mark your calendars and plan to attend this series of lessons for your children and for adults. It is a great way to introduce friends to the Lord's church!

If you are willing to help in any way with VBS, see Jeanna Knox or Ken Wheeler!
