This Sunday...Forgive Me For The Days I Was Not Grateful

This week we celebrate Thanksgiving. Do you ever wonder why we have a day set aside to be thankful? Maybe it's because we spend too many days being unthankful, especially during these times of covid. We can't eat out...we can't go to the movies...we can't find our favorite toilet paper at the grocery store... Amazon Prime is taking three days instead of two...we have to wear these stupid masks. We all need a greater awareness that we need to be more thankful. This Sunday Kyle Idelman reminds us that Thanksgiving doesn't end on Thursday.

Thank you...thank you...thank you! Thanks to everyone who has taken part in our Thanksgiving Dinner at the Senior Center. Thanks to those who've been there for all 40 years. Thanks to those who attended their first one last year. Thanks to those who came from near. Thanks to those who came from far. Thanks to those who got there when we opened up. Thanks to who were there when we closed. Thanks to those who shopped, prepared and planned beforehand. Thanks to those who cooked. Thanks to those who decorated the tables. Thanks to those who visited with the seniors in hallways. Thanks to those who stood on the stage to entertain. Thanks to our "talent" coordinators. Thanks to our tireless MC. Thanks to those who served the drinks, the rolls, and the meals. Thanks to those who dished up the food. Thanks to those who ran from the kitchen to serving line with more trays of food when supplies were running low. Thanks to those who cleared the tables, stacked the chairs, swept the floors, and washed pots and pans when it was over. To most of our country Thanksgiving morning means watching football, parades, or Twilight Zone marathons. To you Thanksgiving means demonstrating how much God loves us all through your smiles, kindness, patience and service. Thanks to you all.

PRAYERS *Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7*

- John Harper went back into the hospital over the weekend. He was experiencing fevers again. Tests showed he had Valley Fever and he's been prescribed some heavy duty meds. John is currently without fever and hopes to come home soon. Please pray for him and Jennifer.
