REFLECTIONS ON WORSHIP, FROM A-Z

Neal Pollard, Daily Bread online 4.1.19

(Continued from last week.)

- M-EMORIES (Young or old, each occasion provides an opportunity to make more of them)
- N-OTHING (What’s more special, important, fulfilling, and encouraging)
- O-PPORTUNITY (Different places and times have been forbidden from what we get to do multiple times per week)
- P-ARTICIPATION (not just in the door and in a seat, but actively taking part)
- Q-UALITY (Not measured by voice quality or dynamic speech, but the very best we can with what we bring)
- R-ESPONSE (Each time we assemble to worship, we are responding to God and His gospel).
- S-ACRIFICE (You cannot properly define worship without it; It may be a sacrifice to come, but it must be an offering when you do).
- T-OGETHERNESS (Worship means fellowship and building our common bond)
- U-RGENCY (Feeling a pressing need to be here, and then to act on what we hear).
- V-ISITORS (These take note of how much worship means to us; They can see and sense it).
- W-ONDERFUL (God knew we needed worship and that can touch us deeply).
- X-RAY (Worship should lay our hearts bare and show us ourselves).
- Y-OU (The presence of everyone, including you, spells the difference!).
- Z-EAL (Passion and enthusiasm is observable, by others and, most of all, by God!)

Maybe we cannot fully grasp all of why God wants us worshipping Him, but He, as our Creator, knew we would need it to draw us closer to Him and each other. Let’s never let anything occupy a higher place in our hearts!

“But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. God is a Spirit: and they that worship him must worship him in spirit and in truth” (John 4:23-24).
