KISSIMMEE CHURCH OF CHRIST

What Are Your Priorities?

BY Wendell Winkler (House to House ~ Heart to Heart)

What priorities are established in our children when:

1. We are early to the game but late to worship?
2. We see that our children do their homework but never check to see if Bible Lessons are completed?
3. They cannot stay up late on school nights, but they can stay up late and watch the late show on Saturday night?
4. We will not let them miss school, even though they do not want to attend, but cater to their whims and let them miss Bible school?
5. We know the names of their school teachers, but we cannot call the names of the Bible class teachers?
6. WE will serve as room mother or PTA president at school but cannot find time to help with a function in the Bible class?
7. We attend public school open house but not open house on last day of VBS?
8. We will not schedule vacations during public school, but will during VBS and gospel meetings?
9. They see us go to work, even though we do not feel too well, but stay home from church under the same circumstances
10. They see us examine their school work but not pay any attention to their handiwork brought from Bible classes?
