

## Kyle's Korner

### ARE YOU LISTENING?

Several years ago, there was a preacher by the name of V.E. Howard, host of International Gospel Hour, who was well known for repeatedly asking the question, "Are you listening?" Though I use it in a bit of a different way, I find myself repeating it often in my preschool classroom. And Marissa uses this question occasionally on me! :)

Most of us have been members of the church for years, but I wonder sometimes how much we are paying attention to God and His Word. In very much the same way a parent might ponder this of their children, does God wonder if we are listening, too?

Are we listening when He tells us not to place anyone or anything before Him in our lives (spiritual idolatry)? Are we listening when He tells us to "love Me" and "keep my commandments" (John 14:15)? Are we listening when He tells us to "love one another" as He has loved us (John 13:34)? Are we obedient to the commands of the Scriptures?

Just looking at our world reminds us that there are many who are not listening. God has told us of the consequences of disobedience, but, again, "Are we listening?"

If we are not listening and obeying, we cannot be what God expects of us. It is important that we honor the teachings of the Scriptures now, as it will greatly affect our eternity.
