### HAPPY

What makes you happy? What sort of things bring you joy in life? Likely, the things that make you happy are not the things that make me happy... Or are they?

I hope your happiness is not found in material possessions. "How empty is the life that's filled with things!" Jesus tells us not to treasure the things of the earth, for these things are not forever. "...moth and rust destroy... thieves break in and steal..." (Matthew 6:19) The more we have on earth, the less we have where it really matters.

The things that make me the most happy are spiritual things and people. I find great joy in the blessings my God has given me.

One of my greatest blessings is time with God. Whether it be in a worship assembly or in a room alone... When I'm able to spend time with my brethren in Christ in praise to Him or in Bible study, such time is one of my greatest blessings. But I also like spending time alone studying His Word or praying or even singing. These things bring me great comfort and joy.

I find happiness in God's people. More than those of the world, I would rather spend my time with those of whom are like-minded, who love God and desire to serve Him. I am inspired and encouraged by those whose wisdom is in His Word. God's people and my fellow Christians inspire me to be better and more humble - a better version of who I am now. Though I have relationships and friendships with those who are not of God, it is God's people who truly make me happy.

Is your happiness found in spiritual things and people? Then maybe I'm wrong! Maybe what makes me happy ARE the very things that make you happy, as well! Maybe we are more alike than I realized!
