

## Kyle's Korner

### MY CHURCH FAMILY

Recently, while going through some of our bro. Hugh Phifer's files (given to me by Rosalie), I ran across a bulletin. Hugh saved a lot of things, such as old flyers for possibly every Homecoming, VBS, Friday Night Singing and any other event hosted by Mars Hill in the time that he was here. But there was also a handful of bulletins from various times and years, some of which I had made in my previous stint with the congregation. I'm not sure what the significance of each was, but one I found of particular importance to me. It was the bulletin from December 30, 2007. In it was a note: "Kyle Webb, good friend, Christian brother and excellent song leader, has cast his lot with the Mars Hill family by officially placing his church membership with us. Welcome Kyle! We are proud to have you identify with our congregation and look forward to working with you."

Why did Hugh save this one, along with the handful of other bulletins? What was significant about it to him? I guess I'll have to ask him later! :)

December 30, 2007, I made a decision to work with this church. Not to preach or to be a professional song leader (as I had done elsewhere), but to be a member and servant of this congregation - a decision I'm glad I made. Why? Because you all became my family. Some of you weren't here yet, but are no less an important part of this family and my life. Each one of you holds a special place in my heart.

You all have supported me greatly in my preaching, in my marriage and in many different phases of my life between 2007 and the present. I've been through many ups and downs personally (as we all have), but you've been there to support me through it all, and I hope that for you I have done the same. Thank you for the memories and support, and I hope to return the favor!
