

## A Letter from Arnold Garcon

We thank you very much for all you have done for us and Haiti. All the people we help said thank you to all of you. We send help to some Haitians in Turkey who are in great difficulty. They have immigration problems. They do not speak the language. They are meeting in their homes for worship - Haitians in Dominican republic who are living in the Dominicans. And the police made the Haitians life impossible to live. It is a non issue for politicians in Dominican Republic to deport and clean Dominican Republic to get rid of Haitians. They beat, rob them and put them in jail, even the Haitians who were born in Dominican Republic. They do not give them citizenship. We help Peru, Panamá, Colombia, Aruba, Curacao and San Salvador with Bibles and money. We are going to be in Peru May 23 to 30 to preach at the seminar. We plan to buy 200 Bibles for many churches in Latin America. We help Haitians in Brazil and Chile.

Thanks to you, very much, we never received a penny from any Haitian church or Latin American church. We did it with the love and generosity of you and the investment Arnold did for 34 years and his check from social security. Even a bottle of water, I have to pay for it. In Latin America the preachers and their wives and children invited me to eat at the restaurant. For Arnold to pay for it, sometimes i said no. Thank you very much. Please pray for me for God to give Arnold wisdom to reach and convert more souls and master the Spanish language. Arnold spent 3 hrs per day memorizing Spanish and English bible verses. Last year after Arnold finished preaching three young people were baptized. Thank you very much. May God bless you, guide you and keep you.

Arnold
