Dear friends,

Anastasia and Sophia are doing very well. She sent me a picture of the newest member of the SAH family so I will include it later in this Newsletter. Sophia is certainly a beautiful addition and we are thankful they are with us. Anastasia asks for our prayers...

Another wonderful addition is to our Christian family. The grandson of one of our residents in the SAH was baptized last month. His name is Artyum, grandson of Nina who became a Christian in April. We are thankful for her influence and that God is providing the increase. (Also a picture)

Summer Camp 2018:

Below are pictures of this summer's camp in Syktyvkar. Attendance has been over 25 plus adult chaperones and ladies who provided the meals each day. Such an undertaking requires several who love and are involved in the lives of the children. Many of these volunteers are foster parents with all understanding the importance of love, care, and being involved. Our thanks to each; young and old.

The rest of this Newsletter is devoted to pictures, Hope you enjoy. ☺

Your love and care for others are touching lives that are growing in many important ways; birthdays, both physical and spiritual, as well as providing for the Christian growth of our young people. This year's camp is the 8th. Each one has been a different learning experience from God's word. Luke 2:52, the young people in the Homes are growing as did Jesus..."in wisdom, stature, and in favor with God and men".

Thank you and may God continue to bless us all...
